

INCREASE YOUR OUTDOOR LIVING SPACE

Kight Home Center has all the building and decorating materials you need, no matter the season!

FOR NOW...

Enjoy the outdoors this summer with a new deck from Trex. Composite decking creates a weather-fighting, easy-to-care-for, long-lasting outdoor retreat.

Complete your yard with a new aluminum fence. Elite fencing offers the security you want while maintaining the feel of a neighbor-friendly fence.

FOR LATER...

Prepare for the upcoming months with a new fireplace from Napoleon. Napoleon fireplaces consistently surpass industry standards of appearance, efficiency and performance.
